2

CONNECT THE HANDWRYTTE APP

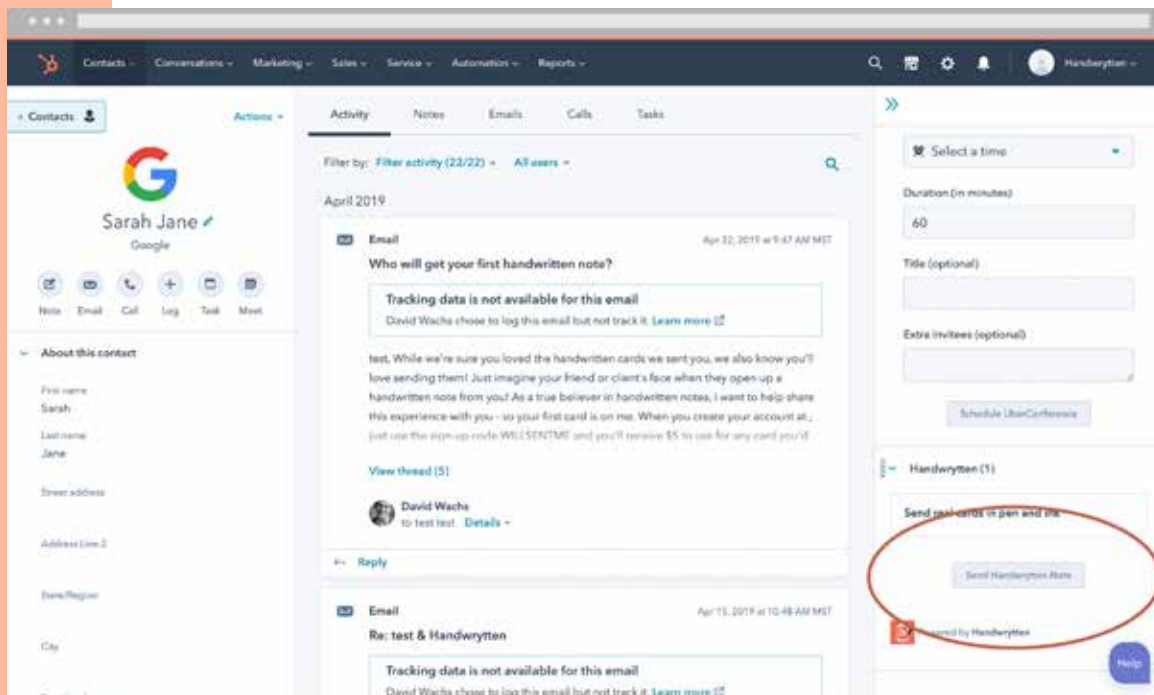

Click the "Connect App" button in the upper right to open a new Handwrytten Login Window.

3

LOG IN TO HANDWRYTTE

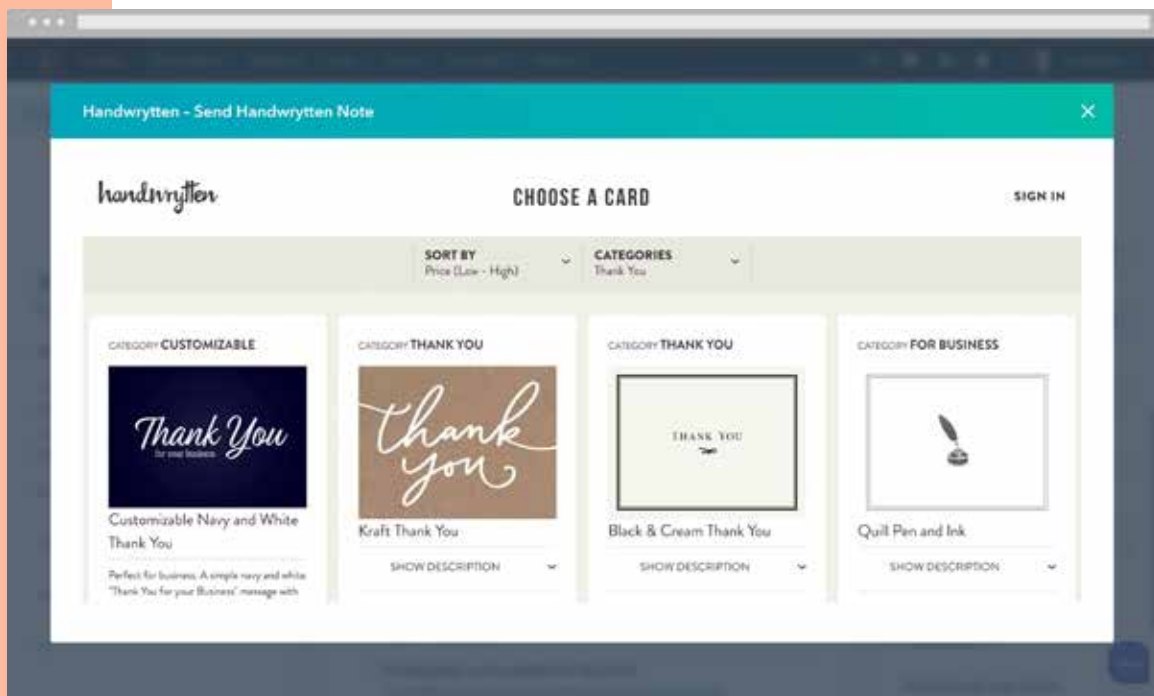

Next, sign-in to complete the integration. You can sign in directly, or use your Facebook or Google account.

4

THAT'S IT!

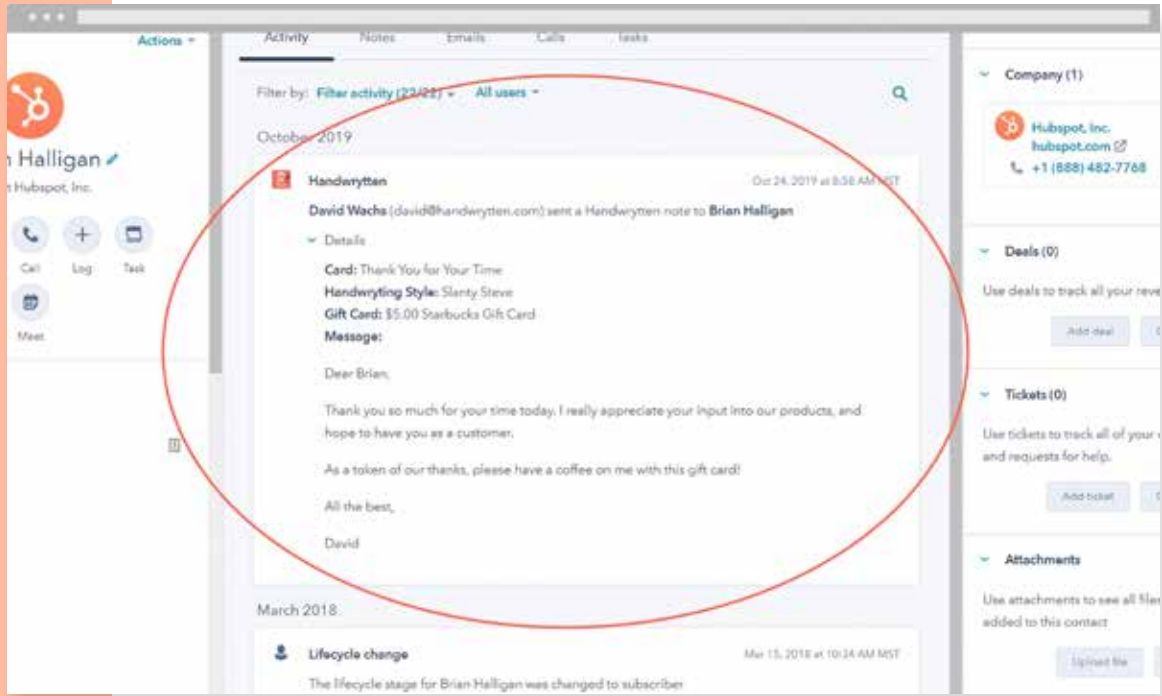

You will next be redirected back to Hubspot. You can confirm the integration is complete by looking for the "Send Handwritten Note" button on a contact's page.

5

CHOOSE A CARD AND CHECKOUT!

Choose from our selection of over 100 designs or design your own. Choose a handwriting style and send your note.

6

RECORD ACTIVITY

Upon completing your order, your note activity will be recorded in the Hubspot timeline.
